DENPLAN

Our patients' deserve the highest standard of care and we are delighted to be able to offer our practice membership scheme through the UK's number 1 dental membership provider, Denplan. Denplan is an affordable method of spreading the cost of your dental care and entitles you to 10% discount off our private fees. All registered patients would have received a letter detailing the different membership plans and can join online using your unique reference number. Even if you are not registered with us you can still join the practice with Denplan Essentials. Please contact us for more information.

PRIVATE

If you are not sure if Denplan is for you, then you can attend on a private basis, exams start from £45.

NHS

We have reduced our NHS capacity. If you would like to be seen as an NHS patient then you can join our waiting list. We would like to apologise for the incorrect information in our letter stating that only children would be seen on the NHS, the NHS is open to everyone. NHS appointments are only available 9am to 5pm and there is limited availability.
